ADULT CE CLASSES

Sundays at 10:30 AM

Matthew 14-28

Matthew 14-28 represents a turning point in the life and ministry of Jesus. As believers, we benefit from this turning point. Through a study of these books of Matthew, we gain a better understanding of what it means to live out our faith each day—and how we can move forward to make disciples of all nations.

The Problem of Evil: Why Do Bad Things Happen

By Os Guinness

Class will include short DVD sessions over 6 weeks with handouts, Bible verses and discussion on the subjects. Whether or not you choose to believe it, evil is real and ever present all over the world. In the midst of wars, disasters and personal pain, the response is often the same. Where is God? No one has all the answers but in The Problem of Evil, you can find hope and encouragement to help you think through questions about evil and why God allows it.
